EUROPEAN FLEETS ARE BEING HELD IN READINESS TO SAIL

France, Italy, Russia, Austria and Great Britain Preparing for Emergency.—Fleets Are Expected to Act in Concert In Case of a Real Crisis.

Paris, Sept. 4.—It is authoritatively stated that in view of the growing disorders in Turkey, the French fleet will be ordered to hold itself in readiness to proceed to Turkish waters. This determination followed the receipt of a report from the French ambassador at Constantinople that it was desirable to have warships in readiness for all eventualities. Similar preparations have been made by Italy, Austria, Russia and Great Britain.

The officials here expect the fleets will act together in case of a real crisis.

The first Autumn meeting of the cabinet was held today. Foreign Minister Delcasse reviewed the Turkish situation.

There is reason to believe that M. Delcasse has been informed that the United States government does not attach further importance to the Beirut incident, but this does not abate official interest in the future course of the American warships.

The French consul at Monastir reports that the conditions there have improved.

The consul of France at Salonica says the conditions at that port are much worse.

VENGEANCE ON MURDERERS MEETS WITH CHECKMATE

The Discovery of a Plot to Kill the Assassins of Serbia's Late Sovereigns Results in the Arrest of a Large Number of Officers.—Seven Hundred are Implicated.

Belgrade, Sept. 4.—A number of officers of the Nish and other garrisons in Serbia have been arrested in connection with the issuance of a proclamation demanding the trial by court martial of the conspirators who were concerned in the assassination of King Alexander, Queen Draga and their ministry, and threatening to resign their commissions if the demand was refused.

Later it was announced that a group of officers of the Nish garrison had decided to kill all the conspirators concerned in the pal-

ace assassination and that many officers of other garrisons joined them. It was intended to act at an early date, but the news leaked out and all the conspirators were arrested during the night. Forty-seven officers have been arrested at Nish alone.

Vienna, Sept. 4.—It is stated here that 700 Servian officers were concerned in the plot against the army conspirators who were responsible for the coup d'etat at Belgrade of June 10 last. The leaders were Captains Pesits and Salowitz.

MARINES HAVE LANDED IN THE CAPITAL OF TURKEY

Minister Leischman Cables Startling News From Constantinople. European Powers Getting Ready for Predicted Uprising. United States May Send Force of Marines.

Washington, Sept. 4.—Minister Leischman today informed the state department that some of the European powers have landed marines in Constantinople.

If the lives of Americans there become endangered the United States government will also send a detachment of marines to Constantinople.

Minister Leischman also stated that in order to protect the lives of occupants of the American legation and the American consulate general at Constantinople additional detectives had been added to the force there.

He said he had taken this precaution because of the warning sent him by the sultan that an uprising was feared.

BEAUMONT FIRE COVERED MURDER

Victim Found in Ruins Killed and Body Robbed.

Beaumont, Texas, Sept. 4.—It has developed that the fire burning the saloon at the corner of Crockett and Trinity this morning was of incendiary origin and that Carl Elmqvist, whose body was found in the ruins, had been murdered.

His clothing was bloody and there was evidence that the room had been saturated with oil.

The dead man had a roll of money last night and was to have left for St. Louis this morning.

He was president of the Barkeepers' Union.

Smith, witnesses say, was attacking the negro with a stick and knife when he was killed.

The slayer is in jail here, having come in and surrendered to the officers.
